

Bewsborough Bulletin

30th October 2022

Welcome to our weekly bulletin, which we hope will help us feel connected to one another as we share news, events and local updates from around the parish each week.

COMMUNITY

On Sunday 23rd October at Elvington Community Centre an Open Day was held, coordinated and planned by the Heritage Centre team. It was a 1940's themed event as many people from the local communities gathered together for food, fellowship, fun and to remember events in years past. Spot those in period costumes!!

As part of the celebrations a tree was planted to mark both the Jubilee earlier in the year, but also as a permanent symbol of remembrance in the community.
